Subject:- Clarification regarding Video.

Respected Sir/Maam,

With reference to the subject cited above the school is submitting a video link for the boundary wall, ramp at the entrance of the building, toilets for CWSN children and library. The video uploaded in Part-A is not properly visible because the size of the video it allows only upto 10MB. So the school is submitting a video youtube link (<https://youtu.be/1o7ysY8O980>) and is uploading the letter in school website under Public Mandatory Disclouser Section with name Letter for Video.

So the school request from the Board to pursue our compliance report and grant the permission for upgradation of the school for senior Secondary level.

Thanks and thus regards.

Yours Faithfully

Principal
